**Proudly Presents**  
**Winter Fair**

**Enterprise Fair at Mapledown**

**The Winter Enterprise Fair will be held on Wednesday 10<sup>th</sup> December from 10:30 am to 12:00pm at our main Mapledown site.**

**FOM have given our Post 16 students a small budget to set up a mini enterprise product/activity to sell on the day to Parents and Visitors to the school. The aim of the project is for our learners to plan, make, advertise and sell their product and make as much profit as they can, which they then re-use for the next Fair. This project is giving our students the opportunity to develop work related learning skills.**
